As a PEMCO intern, you’ll help our organization stay future-focused and driving forward. Join us!

Learn how different career paths align in the insurance industry, complete projects with real impact, and develop and apply your skills in these ten competencies:

- Complex Problem Solving
- Creativity & Innovation
- Critical Thinking
- Judgment & Decision Making
- Emotional Intelligence
- Influencing & Negotiation
- Service Passion
- Agility
- Results Driven
- Growth Mindset

We’re looking for students:

- Graduating in 2017 or 2018 (preferred, though exceptions may be made based on the role).
- Attending a NW school or who live in the NW.
- Ready to make an impact at a local, relationship-focused NW company!
